**Valid only for departures between  
1<sup>st</sup> January 2012 to 31<sup>st</sup> December 2012**

## POLICY INFORMATION

Your insurance is covered under master policy number **SJTSA40072-03 A & B** specially arranged through Fogg Travel Insurance Services Limited and insured by Union Reiseversicherung AG. Cover is provided for each passenger who is shown as having paid the insurance premium and whose name is shown on the booking confirmation invoice issued by your tour operator. This insurance wording is a copy of the master policy and is subject to the terms, conditions and exclusions of the master policy.

No refund of the insurance premium will be given after the policy has been issued unless, after receipt of the policy, you find that the terms, conditions and exclusions do not meet your requirements and an alternative is available. In this case you must return the policy, insurance schedule and alternative insurance policy to Fogg Travel within 14 days of receipt for a refund to be considered.

The first policy, your pre-travel policy, covers you from the time you purchase your policy until you leave home to start your trip. The second policy, your travel policy starts when you leave home to start your trip and ends when you return home or the policy ends, whichever is the first.

We have tried to keep the wording as simple as possible. There are conditions and exclusions applying to the pre-travel policy and to the travel policy. Each section tells you what is covered, what is not covered and what you need to do if you need to claim under that section. There are no hidden parts or small print.

Like most policies they exclude all pre-existing health conditions but if you do need the cover, unlike some other policies, you may be able to obtain cover for these conditions by calling the Referral Helpline on the lo-call number shown below the summary of cover section. Cover is not available on all conditions and to include others we may need to charge you an additional premium or increase your policy excess for this condition, an excess is the first part of the claim cost. You should bear in mind that this excess will apply to everyone on your booking if they have to claim for cancellation or curtailment (cutting short the trip) due to your health condition. Cover is not available for conditions where you are under investigation or awaiting treatment. If you do not tell us about your pre-existing health conditions or those of your close relative or business associate on whom the trip plans depend they will not be covered at all and you will not be able to claim for anything caused by them.

If your health changes after you have bought the policy (for any insured-person of any age or destination) you must call the Referral Helpline immediately. As you have two policies, cancellation under the Pre-travel Policy will be effective, but cover for the Travel Policy, which has not started, may change. Travel insurers require stability of health conditions whilst away so what cover is available will depend on the condition, the medication and the period of time before travel. In some instances the new condition may be excluded and on a few occasions we may agree to pay the cancellation charges at the time of diagnosis and recommend postponement of your trip.

We are unable to provide any cover on psychological conditions such as stress, anxiety, depression, eating disorders or mental instability. Additionally your policy does not provide any cover for a claim arising from a recognised complication of a known pre-existing health condition of a close relative or a close business associate unless declared to us and accepted by us in writing.

## AGE LIMITS

This insurance will not cover :  
• you if you are aged 85 years or over, or  
• any trip in excess of 31 days if you are aged 65 to 74 years, or  
• any trip in excess of 24 days if you are aged 75 to 84 years at the date of departure.

## A. YOUR PRE-TRAVEL POLICY

### HOW YOUR PRE-TRAVEL POLICY WORKS

Your pre-travel policy shows the sections of cover, limits, conditions, exclusions and information on what to do if you need to claim. It is essential that you read it. The policy is a contract between us and you. We will pay for any event, as set out in the policy, that happens during the period of cover for which you have paid the appropriate premium.

We are unable to provide any cover on psychological conditions such as stress, anxiety, depression, eating disorders or mental instability.

Additionally your policy does not provide any cover for a claim arising from a recognised complication of a known pre-existing health condition of a close relative or a close business associate unless declared to us and accepted by us in writing.

All numbers and letters shown under 'For each insured-person this insurance will not cover' refer to the same numbers and letters under 'For each insured-person this insurance will pay.' Where no letters or numbers are shown it applies to the whole section.

You are required to disclose any material facts otherwise your policy will not cover you and it may invalidate it altogether.

### WHEN YOUR PRE-TRAVEL COVER STARTS AND ENDS

The cover for cancellation starts from the date the trip booking was made after the policy was issued and ends when you leave home. No further trips are covered by this policy.

### DISCLOSURE OF MATERIAL FACTS AND PRE-EXISTING HEALTH CONDITIONS

Your policy may not cover claims arising from your pre-existing health conditions so you need to tell us of anything you know that is likely to affect our acceptance of your cover.

#### IMPORTANT

- If you are 16 years of age and over travelling anywhere or you are under 16 travelling outside Europe you **MUST** contact our Referral Helpline to declare your pre-existing health conditions. Please read part A. Pre-existing health conditions 1, 2 and 3 shown below. You should also read part B. Material Facts below to see if applicable to you.
- However, if you are under 16 travelling in the United Kingdom or within Europe you **DO NOT** need to make a declaration under part A. for cover to apply. Your pre-existing health conditions will automatically be covered. You should now read part B. Material Facts below to see if applicable to you.
- You should also read the section below - New medical condition or change in medical condition or ongoing medication to see if applicable to you. Applicable to any age or destination.

**A. Pre-existing health conditions** - so that we can ensure you are provided with the best cover we can offer please read the following questions carefully:

- Have you, or anyone travelling with you, ever had treatment for:
  - any heart or circulatory condition,
  - a stroke or high blood pressure.
  - a breathing condition (such as asthma).
  - any type of cancer.
  - any type of diabetes

- In the last 2 years - have you, or anyone who is travelling with you, been treated for any serious or re-occurring medical condition, asked to take regular prescribed medication, or referred to a specialist or consultant at a hospital for tests, diagnosis or treatment?

If you have answered 'Yes' to any of the above questions we may be able to offer some cover and may be able to cover your health condition, although an increased premium may be required. To enable us to consider your health condition please contact the Referral Helpline quoting TJM ADVENTURE on 0845 1300 198 to see if cover is available. This will be charged as a local call from wherever you are calling in the United Kingdom. All calls will be treated in the strictest confidence.

- You must also tell us if:
  - you are waiting for tests or treatment of any description
  - your doctor alters your regular prescribed medication

**B. Material facts** - in all cases you **MUST** tell us about anything concerning the health of a close relative or business associate who is not insured on this policy but may make it necessary for you to cancel or cut short your trip should be advised to the Referral Helpline quoting TJM ADVENTURE on 0845 1300 198 as soon as possible so we can advise you if we are able to insure the additional risk and any terms we may require.

You need to keep copies of all letters we send you for future reference.

Your failure to disclose any material facts may mean that your policy will not cover you and it may invalidate it altogether.

We reserve the right to charge an increased premium, decline, withdraw, increase the policy excess, cancel or restrict cover for any person where the facts disclosed are considered unacceptable to us.

Should we require any additional premium, and you accept our offer, this should be paid to Fogg Travel either by credit card or cheque, made payable to Fogg Travel, and sent within 14 days of receipt. Should you decide not to pay the additional premium the declared health condition will not be covered. Full confirmation of our terms and conditions will be sent out to your address after your call. Any additional health conditions not declared to us will not be covered.

All terms and conditions declared under this pre-travel policy will also be recorded under your travel policy so that you do not need to declare these twice.

#### Please note:

- We are unable to provide any cover on psychological conditions such as stress, anxiety, depression, eating disorders or mental instability.
- We are unable to provide cover for any claim arising from a recognised complication of a known pre-existing health condition of a close relative or a close business associate unless declared to us and accepted by us in writing.

We will advise you what cover we are able to provide after the date of diagnosis. ## B. YOUR TRAVEL POLICY

### HOW YOUR TRAVEL POLICY WORKS

Your travel policy shows the sections of cover, limits, conditions, exclusions and information on what to do if you need to claim, how to obtain legal advice and how to contact the 24 hour emergency medical assistance service. It is essential that you read it. The policy is a contract between us and you. We will pay for any event, as set out in the policy, that happens during the period of cover for which you have paid the appropriate premium.

Your travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under your house contents insurance on an All Risks extension or under your school's contents policy for 365 days of the year. There is a maximum amount you can claim for each individual item and a maximum amount in total for valuables, and these are shown under the personal possessions section. The personal possessions cover is not 'new-for-old' and an amount for age, wear and tear will be deducted.

Your policy covers for treatment of medical conditions in emergency and which will respond quickly to treatment. It is not intended to cover you for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by our Chief Medical Officer, we reserve the right to transfer you to a state hospital, where adequate facilities are available, or repatriate you to your home country.

We are unable to provide any cover on psychological conditions such as stress, anxiety, depression, eating disorders or mental instability.

Additionally your policy does not provide any cover for a claim arising from a recognised complication of a known pre-existing health condition of a close relative or a close business associate unless declared to us and accepted by us in writing.

All numbers and letters shown under 'For each insured-person this insurance will not cover:' refer to the same numbers and letters under 'For each insured-person this insurance will pay:' Where no letters or numbers are shown it applies to the whole section.

### WHEN YOUR TRAVEL COVER STARTS AND ENDS

The cover under all sections of the travel policy starts at the beginning of your trip as shown on your booking confirmation invoice and ends on your return home or expiry of the policy, whichever is the first. No further trips are covered by this policy.

### EXTENSION OF PERIOD

- In the event of your death, injury or illness or that of anyone travelling with you, you are unable to complete the trip before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for you to complete the trip.
- In the event of delay to any vehicle, vessel or aircraft in which you are travelling as a ticket holder you are unable to complete the trip before the expiry of this policy the cover will be automatically extended without additional premium up to 14 days for you to complete the trip.

### NEW MEDICAL CONDITION OR CHANGE IN MEDICAL CONDITION OR ONGOING MEDICATION

If your health or your ongoing medication changes (for any insured-person of any age or destination) between the date the policy was bought and the date of travel you should advise our Referral Helpline quoting TJM ADVENTURE on 0845 1300 198 as soon as possible. We will advise you what cover we are able to provide after the date of diagnosis. We reserve the right to charge an additional premium, increase the excess, exclude the condition or withdraw cover if the condition declared makes this necessary.

### USE AN EHIC - NIL EXCESS IF MEDICAL COSTS ARE REDUCED

Avoid paying the excess - travellers to European countries, including Norway and Switzerland should and obtain the European Health Insurance Card (EHIC). Applications for the EHIC can be made online at [www.ehic.org.uk](http://www.ehic.org.uk) - the quickest route, or by Telephone on 0845 606 2030, or by post - application forms are available from the Post Office - so please allow sufficient time prior to your departure date. This will entitle you to benefit from the reciprocal health arrangements which exist between European Union countries. In other countries where reciprocal health arrangements exist all reasonable steps should be made to utilise them. Please see Section B4.

### IF YOU NEED EMERGENCY MEDICAL ASSISTANCE ABROAD:

Contact the 24 hour emergency medical assistance service:

**FOGG ASSIST on +44 (0)845 658 9899**

### IN CASE OF SERIOUS EMERGENCY

First call an ambulance using the local equivalent of a 999 call. While you wait for the ambulance contact our emergency medical assistance service which is open 24 hours a day and 7 days a week to offer you advice in this emergency situation. We strongly suggest you put FOGG ASSIST's telephone number +44 (0)845 658 9899 into your mobile phone before you travel so that it is to hand should you need it. Speak to the ambulance driver and get details of the hospital you are being taken to so that our emergency medical assistance service's doctor will be able to obtain a medical report at the earliest possible opportunity.

You must notify FOGG ASSIST as soon as possible if you are to be admitted as an in-patient, or where costs are likely to exceed £500, for agreement of costs under the policy.

### WHAT THE MEDICAL ASSISTANCE COMPANY NEEDS FROM YOU

When you call our emergency medical assistance service in an emergency you need to have some basic information for them to hand:

- your telephone number so you can be contacted on in case you are cut off
- the name and age of the patient and as much information about the medical situation as you are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if you have them
- tell them that you insured under the scheme TJM ADVENTURE through URV, the booking reference number (if applicable), the date you bought the insurance, and your booked travel dates
- the patient's home country GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

### MINOR ILLNESS OR INJURY

If you need to see or visit a doctor or hospital in Europe or Scandinavia then ask your hotel reception or your tour operator representative for the address of the nearest public medical facility. In Europe you should show them your EHIC card, medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the policy excess will be reduced to NIL. You will only be covered for the cost of private medical treatment where adequate state facilities are not available in these countries. You must have this approved in advance by FOGG ASSIST on +44 (0)845 658 9899. Elsewhere it is advisable to seek advice on where to go for treatment from our emergency medical assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin your trip by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for our emergency medical assistance service to move you to a more suitable facility.

### HOW TO PAY FOR YOUR TREATMENT

Outpatient bills for less than £500 should be paid at the time and claimed on your return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If you cannot afford to do so, you may contact FOGG ASSIST for advice and assistance.

If you are admitted to a medical facility then you may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to Fogg Travel Insurance Services Limited, Crow Hill Drive, Mansfield, Notts, NG19 7AE, England. Our emergency medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of your claim has been established.

In European Countries, including Norway and Switzerland you should utilise your EHIC card for in-patient and/or out-patient treatment to obtain a reduction in medical costs where possible, and if costs are minimised the policy excess will be reduced to NIL.

### WHAT HAPPENS IF I MISS MY BOOKED FLIGHT DUE TO ILLNESS?

Don't worry, provided you have contacted our emergency medical assistance service your policy will be automatically extended to cover you until it is agreed that you are fit to travel home. Our emergency medical assistance service will liaise with your treating doctor and you and once you are fit to travel, they will make appropriate alternative arrangements.

### WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact FOGG ASSIST on +44 (0)845 658 9899 for advice first before making any arrangements. If you need to come home for any other reason, such as the illness of a close relative in your home country then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured.

If you are not sure whether your particular circumstances are included in the cover then call Fogg Travel on +44 (0)1623 631331 (Claims Department option) between 9.00 am and 5.00 pm UK time for advice.
